Faculty - Mr Bogdan Oprea

Mr. Bogdan received degrees in civil engineering from the Institute of Civil Engineering, Bucharest, Romania, and from L'Institut National de Science Appliquées, Lyon, France where he was awarded a Diplôme d'Études Approfondies (DEA). He is a Member of the Dispute Resolution Board Foundation, of the Romanian Association of Consulting Engineers and other organizations. His name is also listed on the DRBF President List of Dispute Boards Member, Romanian national list of adjudicators, and he is an accredited mediator.

He has served as Mediator, Negotiator and Adjudicator under FIDIC Conditions of Contract on several International Contracts. He has trained extensively for FIDIC as an accredited FIDIC trainer. in Europe, Middle East, Asia, South America and Africa, specializing on FIDIC contracts and the management of claims and the resolution of disputes.

He started his career as a Teacher Assistant at the Faculty of Roads, Railways and Bridges, then in the Bucharest Branch Department of National Administration of Roads. Later he joined Iptana Search as a chief designer for bridges and then at Louis Berger as a Deputy Project Manager and Claims expert. He now has his own company- AB Resolution which specializes in assessing claims, disputes, contractual risk, mediation, adjudication, contracts and claim analysis, etc.

About the Course

The investment in infrastructure is growing and would continue to grow at an accelerated rate in the near and distant future across the Globe and especially in developing economy like India. The multilateral financial institutions are pouring in funds and want to be a part of the India growth story. These MDBs invariably use the FIDIC Conditions of Contract which are acclaimed as the Gold Standard of Conditions of Contract Globally.

The FIDIC Conditions of Contract are used in India extensively on the internationally funded projects. The usage is set to get quantum jump in the times to come.

Looking at the emerging and ever growing usage CEAI is organising a training on the practical usage of FIDIC Conditions of Contract from 6th to 11th May 2024.
