

# CONSTRUCTION LAW COURSE

on 8th Nov. to 10th Nov. 2024  
and on 16th Nov. 2024  
at PHD House Delhi, Hotel Grand

## OBJECTIVE OF THE COURSE

The boom in construction has brought in its wake increased litigation. That primarily stems from lack of proper understanding of the laws that govern construction contracts.

The Consulting Engineers Association of India, has held very successful seminars, workshops and courses on contracts, arbitration, professional indemnity, and others in which there were extensive and intensive interactions between the faculty, the participants and the organisers. The feedback received called for a course on Construction Law.

In response to those requests the Consulting Engineers Association of India has in the interest of national development and the professionals associated with construction projects, tailor made a course on Construction Law which would educate the attendee on the nuances of law as applicable to avoid disputes for Clients/ Owners/ Employers, Construction Companies, Vendors & Suppliers, and Consultants so that the project is completed as intended.

The Course will be held from 8th November, 1800hrs. to 10th November 1800hrs and on 16th November from 0900hrs to 1800hrs.

The course will be based on The Indian Contract Act, 1872; The Arbitration and Conciliation Act, 1996; The Indian Evidence Act, 1872; The Limitation Act, 1963; and Professional Liability. It will cover:

- Engineering Law
- Contractual Problems of Project Execution
- Mechanism of Amicable Settlement of Differences
- Practical Application i/c holding a Moot Court

The Moot Court and an Exam will be held at the end of the Course and Certificates will be awarded to the participants who attend 75% of the lectures of the course.
