PREAMBLE

A fundamental requirement of an engineering consultant is being able to apply the knowledge and experience gained over the years so that the product is holistically conceptualized, designed, engineered and managed in its entirety to yield the best sustainable results. It is observed that the spread of Consultancy services has expanded over the years and covers disciplines like MEP, IT services, Chemical & Metallurgical, Power sector etc etc. CEAI awards intend to cover all the sectors of consultancy services. The increasingly liberalized global economic environment demands that consultancy services are of a high quality, cost effective and time bound.

Engineering consultancy plays a pivotal role in the development process. To inspire and promote the engineering consultancy profession, the Consulting Engineers Association of India (CEAI) has provision for National Awards for Excellence in Engineering Consultancy Services provided by both individual consulting engineers and engineering consulting organizations, to be given every year.

THE CATEGORIES OF AWARDS

FOR ORGANISATIONS

Awards for Excellence in Engineering Consultancy Services for consultancy organisations (open to all organisations regardless of CEAI membership) would be in two categories and the Awards would be given separately for two groups of consultants, based on average turnover (in consultancy Services) for the previous three years:

Category A: Excellence in Project Engineering

Category B: Excellence in Engineering Innovations

Group 1: up to Rs. 50 crores

Group 2: Above Rs 50 crores

FOR INDIVIDUALS

Achievement Awards in Consultancy Services for individuals (open to all professionals regardless of CEAI membership) would be given in two categories:

Category A: Excellence in Project Engineering

Category B: Excellence in Engineering Innovations

LIFETIME ACHIEVEMENT AWARD

This award (no application is solicited) for outstanding individuals who have done exceptional services to the consultancy/ engineering profession and fraternity.

THE AWARDS

The National Awards for Excellence in Engineering Consultancy Services for Organisations and Achievement Awards for Individuals comprise the following: -

- First Prize - Trophy along with a Certificate
- Second Prize - Trophy along with a Certificate

The Award Winners can use the CEAI logo on their print and promotion material by mentioning the year of the award and the name of Consulting Engineers Association of India.

1 EXCELLENCE AWARDS for ORGANISATION:

Category A: Project Engineering

The project for recognition should have resulted in significant technological, economic or social benefits to the country or society. These benefits should result in better efficiency, productivity, foreign exchange earnings, and value engineering. CEAI may verify the details provided by the beneficiaries of the project.

Category B : Engineering Innovations

While the size and value of the project itself may not be the main qualifying criterion, the innovations in the approach to the problems resulting in an appropriate sustainable solution and its contribution towards successful implementation of the project would merit consideration.
